

Home and Commercial Air Conditioning

Ask ME about **home air conditioning**

Mitsubishi Electric's residential series provides the perfect solution to heat and cool your home or garden office.

With compact wall mount design and multi colour options Mitsubishi Electric's residential series provides the aesthetic appeal that homeowners desire.

Create the perfect balance of **heating and cooling** for any room in your home

Our Premium series is the ideal solution, with a compact design and multiple colour options, our wall mounted units provide the aesthetic appeal that homeowners are looking for.

Combine this with low noise levels, ease of operation and energy efficiency, and there is no better option for homeowners to stay cool during the summer and warm in winter.

This series also features the latest product innovations including the **3D i-see sensor** to eliminate breezes and is compatible with **Google Assistant** and **Amazon Alexa** devices.

The Premium series also comes with our unique built-in **Plasma Quad technology** which filters out the 6 most common airborne pollutants to offer year-round purified air and complete relief for asthma sufferers.

Elegance Wall Mounted System

Our mid-range Elegance series combines simplistic design with energy efficient performance.

With sizes ranging from 1.5kW to 7.1kW its air purifying filter generates stable anti-bacterial, anti-mould and deodorising effects.

Control your comfort

- Backlit controllers
- Scheduling options
- Simple to use screens

works with **Google Home**

Feel the power

- **Cost-effective**
Cost-effective and energy efficient, proving friendly to both environment and the home owner.
- **Reliable**
Double vanes ensure all-round comfort by distributing airflow evenly throughout the room.
- **Responsive**
Use the weekly timer to ensure that your room is always at the perfect temperature

Ask ME about **commercial air conditioning**

Today's businesses face the double pressure of rising energy costs and carbon-reduction legislation making running any enterprise that little bit more challenging. What you need is a heating and cooling system that will deliver year-round comfort while reducing energy costs and lowering your carbon footprint.

Create the perfect balance of **heating and cooling** for your business

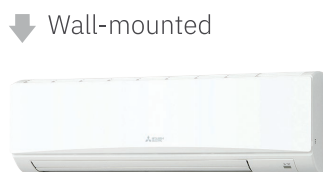

Mr Slim - packaged split system air conditioning

Mr.SLIM™

Suitable to cool or heat a huge variety of applications such as retail units and offices, the Mr Slim range is one of Britain's best-selling air conditioning split systems.

Combine the efficiency with the complete versatility that this range has to offer, and the possibilities are virtually infinite. Available in a variety of indoor units including **wall-mounted, ceiling cassette, concealed units, floor-standing and air curtains**, Mr Slim systems can also connect multiple indoor units to a single outdoor unit.

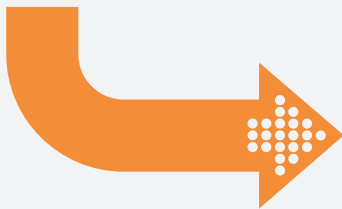

↑ Ceiling cassette

Does air conditioning only provide cooling?

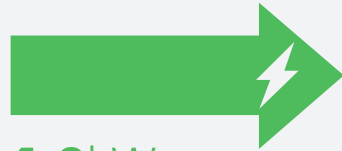

Air conditioning units are air-to-air heat pumps, which means that the refrigerant cycle in the indoor and outdoor unit can be reversed to provide **heating** or **cooling**.

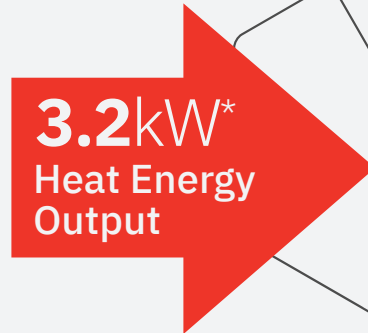

2.2kW
Free Heat Energy
from the outside air

1.0kW
Electrical Energy Input

3.2kW*

How to order your home or commercial air conditioning system

- 1** Visit: les.mitsubishielectric.co.uk/costco to choose your desired air conditioning system. Complete an enquiry form or email us at corporatesolutions@meuk.mee.com
- 2** At a time convenient for you, our specialists will discuss possible options and check suitability of your premises. If required, they will get in touch to arrange a no obligation site survey.
- 3** On agreement of your order your consultant will complete a Costco Special Order form on your behalf. You will need to take this to the Costco cash register to place your order and make payment.
- 4** Once payment is made, your order will be confirmed and validated. A member of our team will contact you to arrange delivery.

This is to confirm that you, as a Costco member, are solely purchasing from Costco Wholesale UK Ltd (hereinafter “Costco”) and Costco is solely supplying you the Mitsubishi Electric product/s. Costco Special Order should only include the Mitsubishi Electric product/s that you are purchasing from us.

Your signature on the Special Order Job Completion Form is your confirmation that the Mitsubishi Electric product/s are of an acceptable standard and match your confirmed order; any other issues are deemed as installation. Costco accepts no responsibility and/or liability whatsoever for any problems you may encounter during your installation with the service provider.
